

The area's best casual Italian eatery for over 40 years!

Our Story...

It was the Spring of 1972 and a newly married immigrant couple were about to embark on the greatest challenge of their young lives. An opportunity arose for Italian born Franco & Antonietta to take over a struggling pizzeria on Main Street in Fort Lee, NJ.

Surely they would have to give it their all; long hours, limited family time and a grueling seven day work schedule were necessary to really make it happen. The formula was simple; really fresh hand tossed pizza pies and made to order Italian foods created by real Italians.

The goal was to gain the trust and loyalty of the local community. That little 12 seat pizzeria was an instant success. Fast forward 43 years later to Franco's Metro Restaurant & Bar and not too much has changed really. We are still serving the same community we know and love, our pizza pies are still freshly hand tossed, while our made to order entrees, salads & appetizers still use only the freshest ingredients around. Just like 4 decades earlier, it's all about family, community & tradition.

A Salute!
